

Nobody's Perfect Facilitator Training
April 16-19, 2024
Gander, NL

About the Program... Nobody's Perfect is a strength-based program for parents of young children from birth to five years. It is a flexible program designed to meet the needs of parents. It was developed in the early 1980s by Health Canada (now the Public Health Agency of Canada) and the Department of Health of the four Atlantic Provinces. Since its beginning, Nobody's Perfect has had a profound impact on the development of community-based parenting education in Canada. Its participant-centered approach, based on respect and support for parents, has been adapted by many other programs. For further information about the program visit the Nobody's Perfect website at www.nobodysperfect.ca

About the Training... The Newfoundland and Labrador Association of Family Resource Programs in partnership with the Nobody's Perfect Provincial Advisory Committee is pleased to offer Nobody's Perfect Facilitator Training on April 16-19, 2024, in Gander, NL.

For those who wish to be trained as Nobody's Perfect Facilitators, a full four-day training will be offered which will provide participants with the opportunity to become very familiar with the program, enhance facilitation skills, and prepare for delivery of the Nobody's Perfect Program for parents.
